Dear Brookwood Families,

HAPPY NEW YEAR! I hope you enjoyed the long winter break with your family and friends. My family got to spend our First Christmas with our 6 month old, first granddaughter. It was magical.

Stay up to date and visit our web-site. We report NEWS, Pawsome students of the month, monthly activities and more.

Check out "From the Principal's Desk" where you'll find a valuable resource for both educators and parents/caregivers,

***"Stages of Social/Emotional/Physical Development for children"***.

Did you know that five year olds feel safe with consistent guidelines, express thoughts through actions, are awkward with small motor activities, are able to see close objects best and have difficulty copying from the board?

Whereas ten year olds are generally content and happy, may be quick to anger but also quick to forgive, work well in groups and enjoy clubs and team sports, are developing a more mature sense of right and wrong, and are expressive and talkative? Learn more at <http://brookwood.bristoltwpsd.org/>

Remember, even though it may not feel like winter, be sure to send your child to school with a coat, hat and gloves, as we do go outside as much as we can.

Thank you for your continued support. Wishing you all a healthy, happy new year!

Sincerely,  
Mrs. Cubberly
