Dear Brookwood Families,

March 2019

---

I hope this newsletter finds you and your families well. Although it is March, the cold weather does not want to go away. Please be sure to dress your child(ren) for Winter, even though we are closer to Spring.

Next weekend, we SPRING FORWARD, and move our clocks ahead one hour. I am looking forward to more day light and the opportunity for all of us to be outside longer.

Be sure to stay up to date and visit our web-site. We report NEWS, Pawsome students of the month, monthly activities and more. In particular, please read the letter from our Superintendent, Dr. Gehrens, concerning Momo. It is important for us to work together to provide positive experiences and environments for all of our BTSD students.

I am excited to announce that four of our fifth grade students, under the supervision of Ms. Gallagher, will be competing in a STEM Design Challenge this Friday in Doylestown. I will let you know how we make out next month.

In one short month, April, our 3<sup>rd</sup> – 5<sup>th</sup> grade students will be participating in taking the PSSA Standardized Assessments. Attendance is very important, so try not to schedule appointments or vacations from now, until the first week in May.

Thank you for your continued support. Wishing you all a healthy, happy SPRING!

Sincerely,  
Mrs. Cubberly
