Dear Brookwood Families,

I hope this letter finds you and your families well. I am excited to re-join the Brookwood School and community. It was wonderful to see so many smiling, familiar students and parents. I want to thank all of you for your patience and understanding, as we continue to improve dismissal of our car riders. In general, with each passing day, routines are being established and learning is under way.

“Back-To-School” Nights were a big success and many positive comments were made about our teachers and the evening. We appreciate you making the time to spend the evening with us. Your support really does make a difference in your child’s education, and the school environment.

Expectations are high for all students and staff, and with your continued support and reinforcement, we can provide various learning experiences for your children, enabling them to be Proficient and/or Advanced in their core subjects.

Enjoy the cooler weather coming our way. Appreciate the “little things” and make the most of the time you spend with your families. Happy Fall!

Sincerely,

Mrs. Cubberly

IMPORTANT

LOST & FOUND – We already have items filling up our Lost & Found. Please encourage your children to check the bin if they are missing specific items. Thanks!

“PAWSOME”
Students of the Month
exemplify our
“Code of Conduct”

I am respectful.

I am responsible.

I am safe.

I am prepared.

RESPECT - Respect is a positive feeling or action shown towards someone or something considered important, or held in high esteem or regard; it conveys a sense of admiration for good or valuable qualities; and it is also the process of honoring someone by exhibiting care, concern, or consideration for their needs or feelings.

RESPONSIBILITY - Becoming a responsible person means being able to consciously make decisions, conduct behaviors that seek to improve oneself and/or help others. Most importantly, a **responsible person** accepts the consequences of his or her own actions and decisions.

SAFE – Feeling safe is a basic human need. Students need to feel safe and secure in order to learn to want to participate in their learning. Therefore we: keep our hands, feet and objects to ourselves, walk in hallways, hold the banister going up and down the stairs and follow adult directions.

PREPARED - Being "prepared and ready to learn" promotes an environment in which each student will develop a willingness to contribute to the community and world in which they live. We aim to educate our young people to aspire for themselves and inspire others in their achievement.
