

Lessons for Week of May 25th

Hello Brookwood, Keystone and Mill Creek,

Hope you are all doing well. You will be taking a trip this week to the State Library in Harrisburg. Since we don't have time to drive, we are going on a virtual tour to Pennsylvania's Electronic Library or Power Library. Click on the Power Library Link. If you have your library card you will need it to explore Power Library or you can get an E (electronic) card. Just follow the directions in [Power Library](#). If you need a library card go to [Bucks County Library](#) and have an adult help you get one. Once you have a card you can read ebooks and explore the wonders of reading.

Have a wonderful time exploring ebooks. Let us know how it goes. Email us if you need help. Have a safe Memorial Day.

Keep Reading,

Your Elementary Library/Media Specialist

Check out this site and have fun.

[Power Library](#). (click on link) then click on **Power Kids**

K-1 BookFlix - Explore the World of Reading- select a book to read and share with someone.

2-3 Discover Pennsylvania for Kids

What is the state fish? What is the state dog? What is the state insect?

Do we have a state tree or bird? Check it out'

4-5 Kids Info Bits - Click on a sport that interest you.

Name two magazines that you can find information on your sport.

Name someone who practiced the sport.

Please explore other sections of Power Library. You can even "Ask a Librarian"
